

A black and white photograph of a house with a flooded roof. Three cows are standing on the roof: a dark cow on the left, a white cow in the middle, and a dark cow on the right. The house has a gabled roof and a window is visible on the right. The foreground shows water reflecting the house and cows.

# Hurricane Season 2015

# GULF CATEGORIES 3-5 HURRICANES

- **Current El Nino ENSO conditions expected through the Summer**
- **During El Nino years, the typical hurricane track is over the Atlantic Ocean.**
